A screenshot of a smartphone displaying a mobile application for account creation. The top status bar shows signal strength, time (2:04 PM), and battery level (60%). Below the status bar, a red header bar contains a yellow 'Login' button on the left and a white 'Register' button on the right. Underneath the header, there are two tabs: 'Student' (white text on a red background) and 'Teacher' (red text on a white background). The main content area consists of six input fields, each with a placeholder label: 'Email', 'School ID', 'First Name', 'Last Name', 'Password', and 'Retype Password'. At the bottom is a large red 'Register' button with white text.
